

MINNESOTA DISTRICT ROYAL RANGERS ASSEMBLIES OF GOD BOYS MINISTRY

Greetings from the District Director!

I would like to thank all of you for attending the Minnesota District Statewide Campout and personally welcome you to this year's event. We hope you will have a great time and have fun.

Our upcoming events this year include our biggest event the statewide campout. This year's theme is "**The Wilderness Trail**". The bible verse being used is taken from Luke 5:16 "*But Jesus often withdrew to the wilderness for prayer.*"

Not only will there be all kinds of games and activities for the boy's but at each night's special council fire both men and boys will be blessed with great messages and worship time. We are expecting great things around the altars every night. If it is anything like past Statewide campouts, the altars will be full of men and boys meeting the Lord, having their needs met, and being baptized in the spirit. I encourage all that can come and be a part of this great event.

The Woods at Lake Placid usage continues to grow and expand. More people are finding out about it. We have a promotional brochure for you to distribute telling about The Woods at Lake Placid. It shows what's available at The Woods at Lake Placid and how to financially support the camp.

All in all it was a good year for Rangers, although I have been very busy with my company as it continues to grow. My prayer is that this year will even be better and that I will be able to do more to grow the Minnesota District Royal Rangers. Royal Rangers is the best boy's ministry around, so we and I need to do better. That is my prayer and my goal.

God Bless

Commander Rick
