Dear JBQ Coach or Pastor:

Junior Bible Quiz registration time has arrived! We have some exciting news for the churches that have not quizzed in the past few years. We want to encourage you to join this year by waiving registration fees AND providing the use of a quiz box for one year! Come join the fun by getting kids involved in learning God’s Word. If you have just a few kids interested in competing and your not sure if you can create a full team, reach out to your league coordinator (or Erin Corbett to figure out who your league coordinator is) who can help you partner with another smaller group.

All registration forms and information can be found on our website this year. Follow the JBQ Registration link in the Event box on www.mnaog.org. Registration forms must be completed online or postmarked by **October 7th, 2019.**

Please be sure to read the Information Sheet to learn more about the league structure, certification procedure, and other vital information online. Also online are the dates of the meets and what questions will be covered at each meet, along with other JBQ resources and links.

Please include the number of people who will be attending during the registration process.

Again this year, we are having an **“All State Fall Kick-Off and Training Party” on October 26th**. We want as many people as possible to have the same training experience along with giving everyone a chance to get to know others in Junior Bible Quiz outside of your league. See more details in the box to the left and more information will come to you after you register.

The league meets will be held on November 23rd, January 18th, February 15th, and March 21st. The state meet is scheduled for April 18th, 2020. Your League Coordinator will communicate with you about the location and times and confirm that the above dates are correct as some of the host facilities may have to change the dates on occasion. Most communication happens by e-mail or you can find more information on our JBQ website listed in the box above.

Should you have any questions please contact the League Coordinators.
